

**At UKNiAF we work with federal and state institutions, assisting them to improve the way they plan, fund, and implement infrastructure-related processes.**

## US\$ 538 million

Mobilized under the AfDB Special Agro-Industrial Processing Zones (SAPZs) Programme Phase 1.

## US\$ 126 million

Mobilized in domestic climate finance, contributing to Nigeria's NDC goals.

## 866 NDC aligned projects supported

We identified and proposed 881 NDC-aligned projects to the Federal Budget Office. 866 projects were approved.

## 7 DFIs

We work with several DFIs in our Panel of Project Preparation Fund providers.

## US\$ 7 billion

We facilitate a pipeline of climate-smart infrastructure projects in Nigeria.

## US\$ 1 billion

We support 1 billion dollars worth of climate-smart infrastructure projects in Nigeria.
